MONTANA

Advocacy Support

Resources & Engagement Opportunities

Stay up-to-date on early childhood issues during Montana's Legislative Session with Zero to Five Montana! We Offer:

Templates & Tools

Find & contact your elected officials tool, templates for providing public comment, tip sheets on advocacy actions, legislative bill tracker, and more!

Information & Education

Education & information about specific early childhood issues & solutions. This could include the relevant laws, regulations & policies, and data.

Advocacy Training

Advocacy 101 training online and in-person. Learn the basics of advocacy and how to advocate effectively.

Collaboration

Foster collaborative partnerships across the state. This could include bridging connections, convening supports, and communication assistance.

Advocacy Coaching

One-on-one coaching to help parents, child care providers, early childhood professionals, and community members engage in early childhood advocacy.
